MAGYAR TEXTILTECHNIKA ONLINE
(International identification code: HU ISSN 2060-453X)

„Magyar Textiltechnika” was established in 1948. Instead of printed edition now it is accessible in online form the homepage of the Hungarian Society of Textile Technology and Science (TMTE) www.tmte.hu 6 times a year.

Aim of the online edition of the journal is, as it was of the printed antecedent, to inform professionals of the textile, clothing and textile cleaning industry about technical and technological novelties, market tendencies, scientific results, important events in Hungary and abroad. It provides information on the various programmes of TMTE: international conferences, special courses, professional forums, etc.

How to access it?

Click on the „Magyar Textiltechnika” logo in the www.tmte.hu homepage. The content of the current issue appears in Hungarian and English. This is free of charge. **If, however, you are interested in one or more articles you should register with TMTE from which you receive an access code against payment.** Having the code you will be able to read each article.

Subscription fee for one year: € 15 +20% VAT
